School

Rotherham Aspire

EqualEx Learning Objectives

Explore careers and progression pathways within the Hair & Beauty industry.

Increase understanding of personal skills, interests and how they relate to future career opportunities.

Itinerary (2.5 hours)

Welcome & Introduction – Students were introduced to Innovate S65, Rotherham College and the range of courses and qualifications.

Behind-the-Scenes Salon Tour – Students gained an insight into how a training salon operates, exploring how appointments, treatments and equipment are managed in a professional environment.

Hair & Beauty Workshop – Students took part in practical demonstrations focused on nails and eyelashes, using industry techniques and equipment.

Careers & Progression Discussions – Informal conversations with staff to learn about different job roles, qualifications, career journeys and progression routes within the Hair & Beauty industry.

Questions & Reflection – Students had the opportunity to ask questions and discuss what they had learned.

Learning: The WEX went very well, however 2 out of 6 students attended. In future, at least 4 students should attend to make it the best it can be.
