

Jobs for Everyone Session Plan

(Please also refer to the Teachers' Guide v6 (2024))

Document Key: PP = PowerPoint

TR = Teacher Resources

RP = Role Play Printables

Session	Objectives	Activities	Resources
Project Introduction (10-15 minutes)	To explain what the children should expect for the project being undertaken during the term	Very quick activity that can be done during carpet time Introduction as outlined in the Teachers' Guide	Refer to page 2-3 of the Teachers' Guide See Document: TR1 Introductory Letter to Parents and Carers (2024)
When Isaac Broke His Leg (30 minutes)	To introduce the topic in a way the children can relate to and give exposure to a range of different job roles To begin introducing diversity and dispelling stereotypes via the characters in the story	Read the story in class. Also ask children to read this story at home with their parents/carers	Refer to page 4 of the Teachers' Guide E-book for Whiteboard See Document: PP1 When Isaac Broke His Leg

Questioning Skills (30 minutes with a short recap before jobholder visits)	To develop questioning skills and prepare questions in preparation for visits by jobholders	Teacher-led session introducing question words and what they mean. Followed by group discussion to develop questions for jobholder visits Children can record some questions on the worksheet (with help if needed)	Refer to pages 5-7 of the Teachers' Guide See Documents: TR3 Question Word Posters TR4 Question Word Worksheets
Diversity - We Are All Different and the Same (Up to 1 hour but can be split)	To build an understanding of diversity through fun, interactive activities and group discussions exploring differences and similarities amongst people To dispel stereotypes attached to particular job roles by promoting the key messages: • Jobs for Everyone • No type of person to do a particular job • Anyone can aspire to any job • Who we are comes from within, it is not what we	Teacher-led session Different Outside, Same Core Different Eggs, Same Inside Exploring Skin Colours What I am interested in... What I am good at... What We Look Like Inside (Main Organs) Learn the Working in a Hospital	Refer to pages 8-12 of the Teachers' Guide Recommended but optional props: A variety of different apples A variety of different eggs A variety of different coloured nylon tights/stockings etc. Worksheet with diversity images and a human body poster that can also be displayed on the whiteboard.

Diversity (Continued)	look like Everyone has something to celebrate about themselves	Song (repeat practice)	Words and link to sing-along video for the song provided on page 11 of the Teacher's Guide and for sharing on a separate song sheet See Documents: TR5 Diversity - We Are All Different and the Same TR6 Human Body Poster TR7 Working in a Hospital Lyrics and YouTube Link
I Am Not a Doctor or a Nurse Parts 1 & 2 (2 x 15-30 minute sessions plus homework)	To introduce a wide range of job roles, many of which will be unfamiliar to the children To promote equality and diversity via the illustrations	Recap over key learning points from the project and read Part 1 in class. Ask the children to read this at home with their parents/carers. Repeat with Part 2 giving enough time for them to absorb each section and not to overload with too many job roles at once.	Refer to page 13 of the Teachers' Guide E-books for whiteboard, printing or use on your home learning platform See Documents: PP3 I'm not a Doctor or a Nurse Part 1 PP4 I'm not a Doctor or a Nurse Part 2
If I worked in health and social care	To encourage the children to	Children to draw a picture on	Refer to pages 14 of the Teachers'

I would be... (30 minutes rotating with role play)	consider their own future career To understand the jobs the children may be attracted to following the above learning	worksheet and share ideas with the class	Guide See Document: TR10 If I worked in Health and Social Care Worksheet
Where could I work? (10 minutes)	To introduce the range of settings that people can work in within health and social care	Teacher-led session	Refer to pages 14 of the Teachers' Guide E-document for whiteboard or as a handout See Documents: TR11 Where Could I Work Prompt Sheet

Child & parent/carer homework activity (up to 1.5 hours)	To engage parents/carers in the topic To encourage creativity	Children are asked to make a junk model with their parent/carer to represent something from the topic. An explanation and examples are given on the worksheet	Refer to page 15 of the Teachers' Guide Hand-out to be printed or shared on your home learning platform Note: some schools invite parents in for this activity See Documents: TR12 Child Parent or Carer Homework Activity Sheet
Parent/Carer Assembly (Approx 30 minutes)	To help embed learning from the topic To enhance parent engagement To share and celebrate the topic learning	Suggested content: To sing the Working in a Hospital Song To role play a scene with different jobs To share creations from the homework project	Additional preparation time Refer to page 16 of the Teachers' Guide

Care Home Visit (up to 2 hours depending on travel)	To help embed learning from the topic To engage with the community in a social care setting To meet some people working within the care home	To sing the Working in a Hospital song to residents Subject to preference of the care homes additional songs may also be sung to create a mini concert for residents Meet staff from the care home	Refer to page 17 of the Teachers' guide
Jobholder Visits (30-60 minutes per session and set up time)	To meet a real person working in health and social care and help to embed the learning from the topic	Schools are encouraged to arrange visits from people in their community working in health & social care roles. Children should be given the opportunity to ask questions as prepared in the questioning skills session	Refer to page 18 of the Teachers' Guide Jobholder Guidance sheet provided to be shared with the jobholders in advance of their visit See Document: TR13 Jobs for Everyone Jobholder Guidance

Role Play	To help embed the learning and to make it fun and memorable for the children	Schools encouraged to set up an appropriate role play area Schools may choose to create a structured role play activity Schools may also use role play within the parent/carer assembly	Refer to page 19-20 of the Teachers' Guide See Documents: RP1-11 Role Play Printables TR6 Human Body Poster
